On April 5th, 2022, I received a CyberTip (#120736746) from the National Center for Missing and Exploited Children Internet Crimes Against Children database in reference to eight separate images that were flagged as apparent child pornography and uploaded to Google on March 19th, 2022. The images were uploaded from Google account name: Kadari Bueford with phone number: 19547563231 and email addresses: Omegafreaki@gmail.com/Omegafreaki@yahoo.com.

After reviewing all eight images provided in the CyberTip, it was confirmed that all images were in fact child pornography images and the filenames/ hash values associated with the images were identified as part of a known series of child pornography in which the child or child (s) were already previously identified by law enforcement.

An initial background search on the AT&T phone number and Google email address provided in the CyberTip came back to Jermaine Omar Bueford out of 2121 W. Woolbright Road Apt K103, Boynton Beach, FL 33426.

An ATT&T subpoena was drafted and executed for the phone number (954-756-3231). The subpoena results from ATT&T confirmed the phone number was registered to Jermaine Bueford with address of 2121 W Woolbright Rd Apt K103, Boynton Beach, FL 33426 and an email address of omegafreaki@gmail.com.

A Comcast subpoena was also drafted and executed for the provided Comcast IP address. The subpoena results from Comcast again confirmed the IP address used was registered to Jermaine Bueford out of 2121 W. Woolbright Road Apt K103, Boynton Beach, FL 33426 with the same phone number and the Email User account names provided were kadari86 and JermaineBueford1403.

Based on the above, a residential search warrant was signed by the Honorable Judge Scott Kerner on April 20th, 2022.

On April 28th, 2022, the search warrant was executed and contact was made with Bueford at his residence. Bueford was provided a copy of the search warrant and read his Miranda Warning. Bueford agreed to speak with detectives in a sworn recorded statement the following is a brief summary:

Bueford stated this all makes sense because he did receive a notification alert on his phone about a month ago from Google stating his Google account was flagged for illegal material. Bueford stated he attempted to call and speak with Google about the alert but he could not reach anyone at Google and he never tried to follow up again. Bueford stated he figured it was from the child pornography images that he received in a Google chat not too long ago.

The foregoing instrument was sworn to or affirmed and subscribed before me

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody..									
<input type="checkbox"/> Committed the below acts in my presence. <input type="checkbox"/> Was observed by Who told That he/she saw the arrested person commit the below acts. <input type="checkbox"/> Confessed to Admitting the below facts <input checked="" type="checkbox"/> Was found to have committed the below acts, resulting from my (described) investigation.

Bueford explained he is a part of a Google chat room which exchanges adult pornography images and videos and sometimes in order to view the image or video sent in the chat, you have to click on the folder. Bueford stated on this particular occasion he clicked on the folder which opened up an unknown amount of child pornography images. Bueford admitted to viewing two of the images that were provided in the CyberTip out of the eight confirmed child pornography images before closing out the folder. At that time, Bueford stated it was not his intention to view child pornography images and he did not intentionally save the images to his phone. Bueford stated he believes the folder which contained the images was called "Cousins" and the chatroom he was in was called something in the line of "RJStrokes".

Bueford stated there should not be any other child pornography images or videos on his electronics and he signed a consent to search for all his electronics in the home. Bueford also provided the passcode for his cell phone, laptop and Google account. Bueford confirmed again his phone number and email addresses which matched the ones provided in the CyberTip. All the below electronics were recovered from the home to include a silver hard drive that was found in a locked safe that Bueford had in his closet and the key was provided to PD after Bueford directed detectives to his vehicle to retrieve the key from his center console.

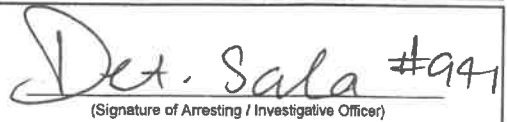

1 Gray HP Laptop with serial # CND1013RF3, 1 Black Acer Laptop with model# JAL90, 1 Blue HP Laptop with serial# 6CF6032SPI, 19 miscellaneous flash drives, 1 White Apple iPad with serial# GCTW18TAHLFF, 1 Black Samsung Tablet, 1 Black Android Pixel phone, 1 Black Nikon Camera, 1 Black Galaxy Edge and 1 Black phone

Bueford was provided with a property exchange receipt for his property and detectives left the residence without incident. An initial forensic examination of the collected electronics revealed over 600 child pornography and child erotica images of prepubescent to pubescent male children ranging from 7 years old to 14 years old found on the silver hard drive collected from the locked safe which Bueford stated belonged to him. The images and/or videos are located in several different folders on the hard drive but an initial review shows 173 images and/or videos in folder labeled "Nephews", 671 images and/or videos in folder labeled "Sinclair" and 112 images and/or videos in folder labeled "invite 123321".

Thus, when Bueford returned to BBPD on his own free will later that day to collect his electronics, he was subsequently arrested for 20 counts of Possession of 10 or more Images of Child Pornography contrary to F.S.S. 827.071 (5), as Bueford possessed 10 or more images of any form of child pornography, regardless of content, and the content of at least one image contains prepubescent to pubescent male children ranging from 7 years old to 14 years old posing with an emphasis of the images on the child's penis and/or anus (F.S.S. 775.0847(2) and (3)). Additionally, Bueford will be charged with 2 counts of Possess, Control or Intentionally View a Sexual Performance by a Child contrary to F.S.S. 827.071 (5) (a), as Bueford did unlawfully and knowingly possess, control or intentionally view two images which, in whole or in part, Bueford knew to include any sexual conduct by a child.
